LANCASTER, PA., June 2,-(Special.)-It was the Richmond club that made a arrow escape from being shut out today. They scored four runs in the first nning but these were gifts, the Lancasters bunching four errors on easy chances. Their fifth run was the only one they deserved. It was scored in the eighth inning on Captain Wella's triple and Kain's out. The visitors, nevertheless, played a good, hard game, and their defeat can be attributed to the case with which Chesbro was hit and case with which Chesbro was hit and his wildness. The fielding of the Johany Hebs, with the exception of Elsey's, was magnificent. He evidently had an off day. He had seven chances and missed four of them. His errors were costly, too, being directly responsible for no less than four runs. Chauncey Bill Stuart again carried off the fielding honors. In the fifth inning he jumped up in the air. again carried off the heiding honors. In the fifth inning he jumped up in the air, and with one hand caught a ball that was labelled for at least two bases. Red McDonald also played a star game, and Captain Wells left nothing to be de-Red McDonald also played a star game, and Captain Wells left nothing to be desired in the way he covered first. In the eighth inning Steelman made a great ratch of a foul fly and a beautiful throw that led to a double play. The Richmonds hit Yeager safely ten times, but they were not able to put their hits close enough together to make them count. However, in the first inning, after the side should have been retired, three hits (singles) by Hargrove, McDonald, and Kain were made and, aided by errors, they resulted in the first four tuns. The Rebs did not show the livelibess on the bases that characterized their work yesterday. The tendency of the visitors to play dirty ball again cropped out, Etherfeld was again the offenier. In the fourth inning, with ned out. Elberfeld was again the ffender. In the fourth inning, with hree on bases, Buttermore made a long rive to left-field that was good for home run, but Elberfeld tripped the r and prevented his getting past Buttermore turned and swung his list for Elberfeld's head and the latter escaped a knock out by quickly duck-ing. In the second inning Hargrove was hit on the arm with a pitched ball, and in the fourth he retired, Foster going on centre. The Lancasters won by unching their hits. Chesbro allowed may one hit in the first three innings, but in the fourth he weakened and did not recover until the sixth, Lancaster, in the mean time, having piled up eleven the fourth of the mean time, having piled up eleven the fourth.

NORFOLK.

Captured the Last Game of the Se-

ries from Newark. NEWARK, N. J., June 2.—(Special.)— Norfolk left here to-night, having captured the last game of the series with he locals by a score of 5 to 2. Newton cupled the box for the victors, and to the locals by a score of 5 to 2. Newton occupied the box for the victors, and to him belongs a large share of the credit of the victory. The rest belongs to the Newark team, which played a very, very loose game. Pitcher Gettig did the tossing for the locals, and did it well also, but he received miserable support. Gettig has been secured by Ellis for good, and will doubtless finish the scason with Newark. The team work of the Norfolk players was good, but especially fine was that of Third-Baseman Weddige. He caught all kinds of balls and picked up several hot ones, which helped keep the Newarks' totals down considerably. In the third Norfolk commenced hostlities. Snyder singled, Newton fanned, but Weihl met the sphere and sent it down to right-field for a base. Snyder went down to third on the hit, and then Weihl stole second. Hodge thought Weihl was hopping on his way to second, and sent the ball down. The ball was returned to Hodge in a hurry, but he missed it, and Snyder scored. McFarlan lined it out for two and Weihl scored. In the next inning a puff of dust for Newark in the air, a run for Norfolk, and four errors for Newark was the result. This made the local players mad, and when they got a chance in the same inning they were out for blood. Sheahan singled to left, and went down two bags because Rothfuss lined the pellet for a base and Rothfuss stole second, and on Cargo's hot liner to left both men scored. Newark made more bad plays in the seventh and eighth innings, and in consequence Norfolk scored two more runs. Score: NORFOLK. R. H. O. A. E.

EASY FOR ORIOLES.

BALTIMORE, June 2.—The Champions took very kiedly to the delivery of three of Cincinuati's pitchers to-day, and batted out a victory in the fourth inning, scoring five runs. Breitenstein was hammered all over the field, and then he was spiked while coverling first base. Ehret, who succeeded him, lasted but rwo innings, after which Dwyer was given a trial, with but little better results. Bowerman got an ugly cut in the forhead from a foul tip, but was able to play the game through.

Captain Hartz Ordered to Relieve Lieutenant Miller at This Point-Marriage of a Daughter of John Ambler Smith-Etc.

WASHINGTON, D. C., June 2 .- (Special.)-The tariff bill is being slowly considered in the Senate. It will be several weeks yet before the tobacco or the sugar schedule is reached. It is the opinion that the increase of 2 cents per pound on tobacco as proposed by the Senate amendment to the House bill will be defeated, and perhaps without the aid of either Senator Pritchard, of North Carolina, or Senator Deboe, of Kentucky.

Tillman's flery speech in the Senate the other day is yet the talk of the town. Senator Smith, whom Tillman mentioned as one of the men who had taken advantage of his knowledge to speculate in sugar stock, has denied the accusation, but there are others who were originally named by newspaper correspondents that have said nothing

No one appears to be sufficiently well posted to tell the actual result of the sugar schedule, as it applies to the refined products. It will run up, certain ly, into the millions. No estimates have been made on comparative statements is sued by the Sendte Finance Committee Experts are working on the matter now but they are yet at sea as to the effect of the proposed schedule. Even the sugar people, who are alleged to have made this schedule, do not know what it will be worth to them, but everybody admits it will be a big haul.

The Confederate Reunion,

(Nashville Banner.)

(Nashville Banner.)

It is estimated by men who are in a position to form a correct idea that not less than 75,000 visitors will come to Nashville on that occasion to attend the reunion. This does not include the thousands of visitors who will be here, not as ex-Confederates, but as sight-seers, it is not unlikely that the number of visitors in the city on June 22d will be nearer 105,000.

To properly take care of these people for three days will require the help of every resident who can possibly render aid. The homes of the city must be opened, and all who can appreciate the importance of sustaining the reputation of the city must evince their interest and public-spiritedness by making unusual and extraordinary effort to help, even if it bo at a sacrifice of their own comfort. Householders who have hesitated in offering their homes for this occasion, should come to the relief of the committee and consent to help house visitors if they can possibly manage to do so. By the use of cots and pallets, by giving up parlors for a few days for sleeping apartments, and by various expedients which will suggest themselves to thoughtful and hospitable housewives, provision can be made for many visitors in homes which are now, under the ordinary arrangement, well filled. Nashville cannot afford to fall it making full provision in this matter.
